Careers Convention Thank You

Dear Mrs Sethi,

I write to thank you sincerely for giving up your time to come into NLCS for the evening of Wednesday 14th October and talk to our students about Careers in Law. I am very grateful to you for attending.

I have received much positive feedback from students who attended your talk and who were inspired by this and by talking to other advisers in the legal field to find out more and consider this as a possible future path.

Obviously, such events as Wednesday's Convention could not happen without the generous support of parents, such as yourself, and others, who so kindly give their time and energy to help make the world of work accessible and exciting for our students.

So, a huge thank you from me on behalf of all the students who attended the talk. I know how much they appreciated your efforts.

Yours sincerely,

Mrs Dora O'Sullivan
